

Chockriti™ Chocolates is a fine art chocolatier from India, specializing in artisanal chocolates made with fine European cacao and all natural whole teas, flowers, spices, herbs and dried fruits from India and around the world. Founded in 2011 by a woman entrepreneur, the name Chockriti means Art of Fine Chocolate- "Choc" is for Chocolate and "Kriti" means "Work of Art" in Sanskrit. The lotus flower symbolizes the purity and goodness of the ingredients. Chockriti specialises in unique Indian flavors that represent the tastes and festivals of India.

The unique bars with their fillings are lovingly made in small batches to bring out the best flavor and texture experience with no added butter, vegetable oil, corn syrup, invertase, alcohol or artificial flavorings.
